

At a British school for officers on the Western front these American officers are finishing their education in modern warfare. The training here is given in rifle, grenade and bomb work. *Underwood*

Fully equipped Italian infantryman—When fighting he turns out the white lining of his overcoat, now thrown over his gun, and covers his head with a white hood. Thus clothed, he is almost invisible against the snow. *Inter Film.*

British and Italian soldiers in the trenches at Piave, near Ciano.

Though near the Austrian lines, this Italian supply base at Adamello is practically safeguarded from attack by surrounding cliffs. *Gilliams Service.*
